

MEDIA RELEASE

Kedron-Wavell's 2024 Community Grants Program is now accepting applications from organisations in the North Brisbane community, with \$175,000 in grants available.

Kedron-Wavell, is a leading Queensland community club with an extensive and proud history of community involvement and is thrilled to be able to deliver this program for another year, with even more funding available than previously.

The Kedron-Wavell Community Grants program aims to provide crucial financial support to local initiatives and organisations that are making a positive contribution to the North Brisbane area.

The program has been thoughtfully designed to assist non-for-profit organisations, community groups, and individuals who are dedicated to creating meaningful change within our local community. With a focus on grassroots initiatives, this program empowers recipients to transform innovative ideas into reality.

“Our Community Grants Program represents our unwavering commitment to supporting and strengthening our local community,” said Vjorn Bradow, General Manager of Kedron-Wavell. “We firmly believe that empowering changemakers at the grassroots level is important to creating positive change, and through this program we aim to provide the financial resources to support to those wanting to make a difference.”

Applications for the Kedron-Wavell 2024 Community Grants program are now open and will be accepted until 31 July 2024. This year all applications can be conveniently submitted online, by visiting grants.kedron-wavell.com.au. Those interested are highly encouraged to visit the website to learn more about the application process including eligibility criteria, assessment process and other conditions.

All applications are comprehensively reviewed by Kedron-Wavell's Board, to ensure that grants are awarded to projects that align closely with Kedron-Wavell's mission and demonstrate the potential for meaningful community impact. Applicants will be advised of the outcome of their application by Saturday 31 August 2024, with successful applicants to attend a presentation at Kedron-Wavell on Tuesday 17 September 2023.
